HOW TO READ THIS BOOKLET

Place is the official placing within the published age and gender category. **Vs entry** compares the result with the listed entry seed; it is not presented as a verified lifetime PB. **Published standards** are copied exactly from the official report: 11 LEV2 and 1 LEV3. Two DQ notes are reproduced exactly. The official report contains no result row for Iyla Mesais in #105, so the booklet states only **No published result** and does not infer why.

Source: official CTA QT#4 (L2 & up) results for 5 September 2026, generated 6 September 2026 at 10:31. Entry seeds and the venue are retained from the supplied Cybersmart Aquatics Gala Guide. No medals, records, club points or new overall qualification status are inferred.
